Cachet Homes to Gift Homebuyers with \$8,000 Credit

By **Alison Bailin**

Cachet Homes, a leading luxury homebuilder in Arizona, is pleased to announce its "Cachet Welcome Home" sales event where anyone who purchases a Cachet home will receive an \$8,000 credit toward options and/or closing costs.

"Unlike the recent government incentives, to earn this credit, buyers need not be first-time homebuyers, simply Cachet homebuyers," said Matt Cody, president of Cachet Homes. "And, unlike the government incentive, buyers will receive the credit to use immediately on anything from an outdoor kitchen to custom flooring to cabinet and countertop upgrades and more."

The credit is available at each of Cachet's premier communities - Cachet Homes at Verrado in Buckeye, Paseo Lindo or Crescent Falls at Fulton Ranch in Chandler, Cachet Homes at Flagstaff Ranch in Flagstaff, Cachet Homes at Blackstone in Peoria, Bel Canto at Mirabel and Encore at Grayhawk in Scottsdale - from now until December 31, 2010.

Since 1990, Cachet Homes has been at the forefront of the incredible growth explosion in the Phoenix-metro area, expanding into many different areas of home production including custom homes, single-family homes, patio homes, townhomes and condominiums. Outside the Phoenix area, Cachet has built communities in Prescott, Sedona and Flagstaff. Focused on building with elegance, sophisticated style and common-sense floorplans, Cachet Homes has been recognized as the No. 1 homebuilder in Arizona three times by *Arizona Business Magazine*, and has been ranked as one of the top five homebuilders in Arizona for the past decade.
