

# Scottsdale-based Cachet Homes unveils floor plans

Sept. 25, 2010 06:21 AM  
The Arizona Republic

Scottsdale-based Cachet [Homes](#) is debuting five floor plans and model homes at its Paseo Lindo community northeast of Arizona Avenue and Ocotillo Road in Chandler.

Cachet is offering a photovoltaic power system from American Solar Electric as an option in the community of 141 homes. Buyers have a choice of 3- or 5-kilowatt photovoltaic systems in the American Solar estimates that its solar systems would reduce electricity costs by \$569 to \$948 annually.

The Paseo Lindo homes of 1,613 to 2,631 square feet start at \$215,900 or about \$135 per square foot.

Cachet Homes is in its 20th year of building homes and [condominiums](#) in the Valley, Prescott, Sedona and Flagstaff.
