

Welcome to

Inventory Home Release

Please note the following information:

- Due to the volume of inquiries, we will ask anyone that has an interest in purchasing a home to complete a buyer information form and obtain their lender approval if you are purchasing the home with a mortgage. If purchasing the home cash, we will require proof of funds prior to writing a sales contract.
- We have two homesites to release in May. These are inventory homes that have been colorized and permit has been issued. Should we have more interested prospects than the number of home sites, we will conduct a sales drawing.
- If a drawing is needed, the drawing will take place on May 18thth at 2:00 pm at our Union Park sales office located at 2014 W. Union Park Drive, Phoenix 85085. You do not be present but must be available by telephone between 2:00 pm and 2:30 pm. We will call the phone number on your registration form. If do not answer or cannot make a decision, we will select the next person from the drawing.
- All registrations will go into a general drawing box and will not be kept by order received.

Thank you for your interest in Cachet at Peak View! We look forward to working with you.
